What is Fast Cat?

Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the start line and the coursing lure is activated, prompting the dog to follow, chasing it to the finish line and into the catch pen. The course is completely fenced and dogs are run individually. Dogs are timed as they complete the 100-yard dash and the time is converted to Miles Per Hour (MPH).

FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$

$\text{MPH} \times \text{HANDICAP} = \text{POINTS (ROUNDED TO NEAREST 0.01)}$

Based on the dog's size at the withers, a handicap is applied and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5
- Below 12" = Handicap is 2.0

MPH X HANDICAP = POINTS

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points

DCAT = 500 points

FCAT = 1000 points

FCAT# = Each additional 500 points

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test and, in such instances, applicable entry fees will be refunded. Dogs will be examined for lameness before running. Bitches in season, lame and unfit dogs will be excused with entry fee refunded.

PLEASE DO NOT BRING BITCHES IN SEASON TO TEST.

TRIAL HOURS

Grounds will be available at 7:30 AM. **You must check in and have your dog inspected at the check-in station located by the parking lot as you enter the grounds.** Bitches in season and lame dogs will be assessed during inspection and excused.

Each day, trials will be run concurrently according to entrants' "run time". For example, those dogs with an 8:30 run time will run their dogs, wait a few dogs, and run their dog again. The first run will be the "morning trial" and the second run will be the "afternoon trial". After you had run your dogs and received your ribbons, please leave the property. Placements will be posted at the end of each day. If you are on the property, please pick up your placement and title ribbons in the building. If you leave the property before learning that you have placed, you may request your ribbons from jpodd@yahoo.com.

PRIZES AND ROSETTES

A light blue participation ribbon will be awarded to each dog that completes the Fast CAT 100-yard dash. The Gloucester Kennel Club will offer placement rosettes at each trial for:

- Fastest 1st-4th in under 12" class
- Fastest 1st-4th in 12" to 18" class
- Fastest 1st-4th in 18" or greater class
- Fastest 1st-4th sight hounds
- Slowest in each trial – Turtle ribbons

The Gloucester Kennel Club will have a limited number of title rosettes available. **Please notify the trial secretary, Skye Weber: skye.weber@yahoo.com or include note with your entry form, if you will be earning a new title to ensure that the club will have rosettes available.**

NOTICE TO EXHIBITORS

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and trial grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the trial site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same. All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the trial grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the trial-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
